The screenshot shows the homepage of the school's website. At the top, there is a navigation bar with links to Home Page, Online Videos, Course Tables, Article Lists, Latest News, Common Websites, Contact Books, Document Downloads, Message Boards, Calendars, Activity Videos, About Us, Work Sharing, Collection Support, Website Selection, and Links. A QR code is located in the top right corner. Below the navigation bar, there is a section titled "一、轉檔方式:" (Method 1: Conversion) which contains two sub-sections: "利用MSOffice: (格式比較容易跑掉)" (Using MSOffice: (format is easier to lose)) and "利用LibreOffice或者是OpenOffice來做轉檔 (轉檔後的格式比較正常)" (Using LibreOffice or OpenOffice to convert (the format after conversion is more normal)). There is also a note about saving files as ODF format. Further down, there is a section titled "二、利用MSOffice轉檔要注意事項" (Things to pay attention to when using MSOffice to convert) with a list of 6 points. On the right side of the page, there is a "網站列表" (Website List) with a scrollable list of various websites, a "推文工具" (Share Tools) section with links to Facebook, Twitter, Google+, and Pinterest, and a "萌典查生字" (MeiDian Check Chinese Characters) section with a search input field and a "查生字" (Check Chinese Character) button.
